

How to Renew Your Membership

If have previously been a member of KTC, your account is in our online system. You will need to log in, and review & update your personal information as part of your membership renewal. (Non-Members are able to log in to their account whenever they are ready to purchase a camp session.)

There is a "Photo" field in your member profile. We are requesting that members upload a recent photograph of themselves, as this will assist our new stewards in quickly getting to know you.

Here are the steps to follow for registration:

- 1) Go to <https://ts2.clubinterconnect.com/kingston/home/login.do>
- 2) Log in with your email and password from last season
- 3) Select/confirm your membership category
- 4) Enter/update your personal information
- 5) Select your payment option of either e-Transfer or cheque

e-Transfers are a fast-growing method of payment in the banking industry. If you select this method of payment, you will see the following message at the top of your screen:

Login to your online banking account to send an Interac e-Transfer to the Club's treasurer at: treasurer@kingstontennisclub.com.

You will be required to enter a Question & Answer for security purposes. For your answer, please use KTCxxxxx , whereby xxxxx is the INVOICE NUMBER that appears below and to the right.

We have provided a tip sheet for those who may be unfamiliar with e-Transfers. There is still the option to mail in a cheque for members who prefer a non-electronic payment method.

Once your payment has been accepted and your Member account is re-activated, you will be able to purchase a parking permit for this season by going to our Home page and scrolling down to 'Online Store (Parking Permits)'. You may also enroll your child in the junior summer camps at the discounted member rate.
