

## ***KTC Covid refresher: Stay Safe – Play Safe***

***June 2021***

Given the rise of the Delta variant, it is more important than ever that KTC members closely adhere to our Covid protocols while on KTC grounds, whether for tournaments, lessons or for everyday play.

As always, please practice safe social distancing at all times, except with members of your own family. And most importantly, do stay home if you are feeling unwell. Members are asked not to socialize or congregate on the grounds or on the courts before and after games.

Players, please read the following guidelines carefully.

### ***In essence, Come, Play, Leave....***

#### ***Before you play***

You must stay home if you:

- Have been in contact with someone with COVID-19 in the last 14 days.
- Have been abroad or exposed to someone with COVID-19 in the last 14 days.
- Have flu-like symptoms or are considered at high risk for the virus.

#### ***Attending tennis activities***

- Only KTC members, staff members and guests are permitted on the grounds.
- Arrive and leave as close as possible to your playing time.
- Clean your tennis gear before and after each game. Don't place your bags and personal items in the same location as players who have just left the court and don't place these items on the deck.

#### ***Social distancing***

- Please avoid the usual pre or post-match handshakes or elbow bumps.
- Keep two meters away from other players and staff members at all times.

#### ***Behaviours***

- Wash/sterilize your hands before and after you play and avoid touching your face while playing. (Note: hand sanitizers will be available on site).
- Don't share water bottles – bring your own full bottle.
- Cover your coughs and sneezes and dispose of any used tissue immediately.
- Avoid touching any surfaces at KTC such as net, net handle and gates.

#### ***KTC RULES OF PLAY***

- Singles and doubles tennis play is permitted.
- Tournaments, clinics and lessons are now permitted.
- Members and guests are asked not to enter the KTC Clubhouse unless absolutely necessary. If you need to do so, then a mask must be worn.
- Our normal KTC social gatherings are not being held at this time.
  
- Court bookings and tournament registration should be made on-line. Walk-ons are permitted if courts are available.
- Hand sanitizers will be available at various places on the KTC grounds.
- We ask that players and spectators avoid congregating or mingling with others around the clubhouse or KTC entrance and exit areas.
